

## Welcome to Heritage Hotels new booking engine!

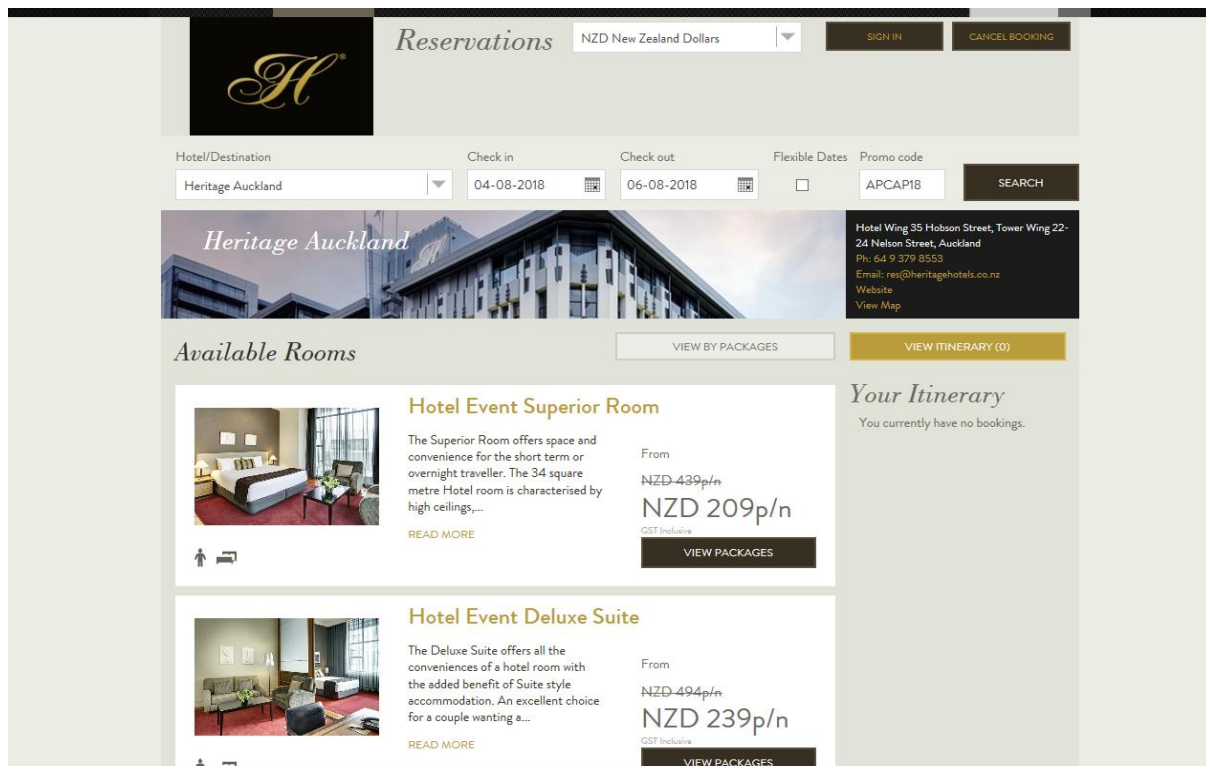

Heritage Hotels has invested in upgrading and re-launching our new Booking Engine aimed at offering guests and bookers a fast, user friendly experience. The new Booking Engine also offers availability for the next 365 days ensuring you are able to plan ahead and to make advanced bookings.

The new Booking Engine is simple, functional and appealing and as an added feature now offers our corporate clients the ability to access their conference rates, book online and receive instant confirmation.

On the home page of [www.heritagehotels.co.nz](http://www.heritagehotels.co.nz) select the hotel you require the accommodation at, enter the date of arrival, insert your Corporate Code (**APCAP18**) and click Submit.

The below screen will open showing each room type (if you click on View Details you will get a detailed description and photo of the room). Each room type shows your contracted negotiated rates, and if you hover over the rate a box will appear showing the particulars attached to your contract. To book just tick the box under the date required and click on "Next"

The following booking page will appear, select the number of guests as well as the preferred bedding. There is an optional list of inclusions and add on's should they ever be required, and down the bottom of the page you click on "Next" to carry on with your reservation
